A British Olympic Gymnast is Visiting Our School

On Wednesday 2nd Oct, the children will experience a PE lesson led by Kristian Thomas. Kristian is a professional Olympic gymnast whom has been part of the British and England men's teams. Your child will have already come home with a sponsor form for the event, which we are sure the children will enjoy taking part in. The sponsor forms need to be back in school by Wed 9th Oct. Many thanks for your support.

Food Packing Event for Our Kenyan Schools Link

On Saturday 19th Oct, we are holding a food packing morning, where all are welcome to help. We aim to pack 10,000 meals in two and a half hours. You should have received a letter inviting parents/ grandparents and of course, the children, to come along and take part in the event. You can stay for as long or as little as you like. If you could return the slip at the bottom of the letter asap, we can estimate how many people we have attending. If you have not received/ or misplaced the letter, please contact the school office and book a place that way. Thank you.

Collecting/ Dropping off Your Child at the Main Door

Please note that if you are dropping your child off after the start of the school day, or collecting them before the end of the school day, that we require you to remain in the entrance hall near the main office, rather than entering the school building and waiting inside the school. This is to ensure security for our children at all times. Thank you for your cooperation on this matter.

No Dogs On the Premises Please

This is a polite reminder that we do not allow dogs on the school premises (within the gates) at any time of the day. This includes before, during and after school. This is a county policy as well as school, just to ensure the safety of the children. Thank you for your cooperation on this matter.
