

# Little Dormouse Nursery Newsletter

13<sup>th</sup> March 2020

Let your light shine through family, friendship and faith

**In response to government guidelines we have increased hand washing in school; washing hands when they arrive at nursery and when they leave in addition to all other times we wash hands. Please could we ask you not to bring children to school who have a new persistent cough or temperature. If you have any queries please look online at [NHS.UK](https://www.nhs.uk).**

**Friendship Theme Day.** Linked to our "Let Your Light Shine" ethos, we have three main values. These values are family, friendship and faith. We are holding a friendship theme day on Thursday 19<sup>th</sup> March where the children will spend the day completing activities around this theme with children from the whole school. There will be 5 activities which your child will get to take part in with different teachers. **If your child stays for the morning they will get to do 3 of these activities. If you wish for them to stay all day on this day, please let us know.**

**On Tuesday 24<sup>th</sup> March the dentist will be visiting school. You will receive information about this visit on Monday. Please could you fill in the consent form and return it to us. The dentist can only come to our school after lunch so we would like to invite any children who do not normally stay for lunch on a Tuesday to stay for a free lunch time session until 1pm. This way your child can enjoy a healthy lunch and be seen by the dentist. Your cooperation on this day will be most appreciated.**

Best wishes

Mrs Jackson and Team
